to being good stewards of that beautiful place we call home. Through our talented staff, smart technology and on-site amenities, we create a home for the whole family. Our office is located on Four Seasons Drive, next door to the beautiful Four Seasons Regional Medical Center. We look forward to meeting you and welcoming you to our community. California was not just the first state to legalize cannabis; it was also the first to get rich from it. At \$13.7 billion a year, cannabis sales in California make it one of the largest, most valuable, and fastest-growing states in the United States. The industries that proliferate in its embrace, and the technical innovations that make them possible, have the potential to transform industries far beyond cannabis. “We don’t have a best state or a worst state,” says Julie Postlethwait, founder
